

STAINLESS STEEL  
**FIXTURES AND ACCESSORIES**  
FOR PARKS

**Acorn Engineering Company** offers a variety of restroom fixtures and accessories perfect for use in parks. Stainless steel construction and tamper resistant features combine for durability and many years of functional use.

# Built to Last a Lifetime

Acorn® stainless steel plumbing fixtures are durable, sanitary, and vandal-resistant. The Replace-Ware® line is designed to replace existing porcelain fixtures without the need for extensive renovations, minimizing replacement and labor costs.

WHITE POWDER COAT
