ACORN PORTABLE Wash-Ware® Sinks

Whether at the ranger station or out on the trail, Portable Wash-Ware sinks provide clean, running water.

FEATURES & BENEFITS

- Can be supplied by hose or onboard tank
- Tank-supply models require no plumbing
- Touchless operation options available

DELUXE PORTABLE WASH-WARE SINKS

SHOWN: PS1010 – FOOT PUMP

- PS1010 – Tank supply/waste - foot activated
- PS1015 – Hose supply/waste
- PS1020 – Hose supply/5-gallon tank for waste
- PS1030 – Tank supply/waste with on-demand electric pump
- PS1040 – Hose supply/tank waste with water heater

*Outdoor use is dependent on the configuration.
Models that require electricity should not be kept outdoors.*

EFFICIENT Multi-User Sinks

For high-traffic areas, one hand washing sink with multiple stations is an effective answer!

Built to Last a Lifetime

Acorn® stainless steel plumbing fixtures are durable, sanitary, and vandal-resistant. The Replace-Ware® line is designed to replace existing porcelain fixtures without the need for extensive renovations, minimizing replacement and labor costs.

FEATURES & BENEFITS

- Durable stainless steel
- Touchless operation available
- Attractive white powder coat
- Antimicrobial additive kills germs
- Easy retrofit saves time and money

Powder coat and antimicrobial additive are optional. Antimicrobial additive requires white powder coat.

Add a foot button and antimicrobial properties for a more hygienic approach
