

**SPECIMEN PASS-THRU CABINET**

The Whitehall® Specimen Pass-Thru is a recessed Cabinet to allow Laboratory access to Patient specimen samples, and provides privacy with a clean, finished look.

**Recessed In-Wall Cabinet, Door and Frame** are 16 gauge (0.063) type 304 stainless steel with de-burred edges. Unique assembly allows Wall Flange to adjust to suit a Wall thickness from 3" (76mm) to 5-1/2" (140mm). Assembly is available with Snow White Enviro-glaze® Powder Coat (-EG10) or in stainless steel with exposed surfaces polished to a #4 satin finish.

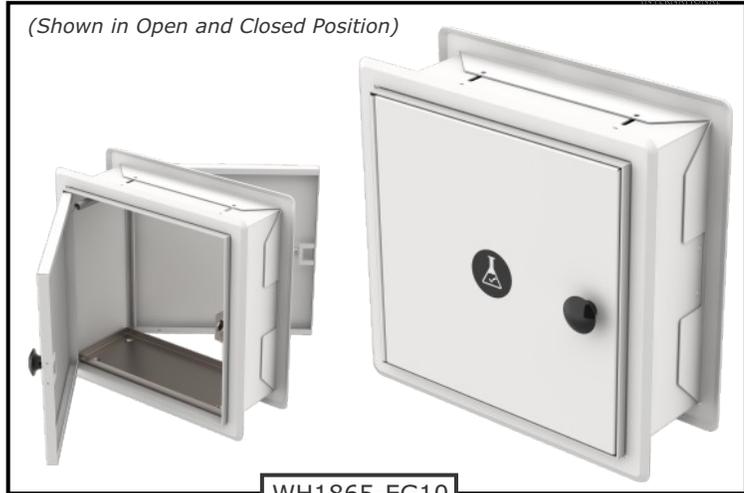

**Self-Closing Doors** include Laboratory Logo, a full length, Continuous Stainless Steel Piano Hinge and Extension Spring Closing Mechanism. Design allows only one Door at a time to open to provide Patient privacy. Doors include an large, easy to grasp, Black Phenolic Handle.

**Specimen Tray** is watertight and includes raised Bottom for infectious control and may be removed for cleaning. Tray is heavy gauge type 304 stainless steel.
