Fixture May Show Some Available Options

Technical Details: Acorn-Sinks® Hand Wash Trough provides an oversized Sink to serve multiple users with increased utility. Units are mounted to a finished wall from the fixture side and fabricated of 14 gauge type 304 stainless steel with exposed surfaces polished to a #4 satin finish. Trough includes sloped bottom to facilitate drainage with punching for 3-1/2" Diameter Drain opening. Drain and Waste Fitting are to be provided by others. Backsplash is 10" high and includes 1-1/2" diameter punching(s) for Faucet and Spout (provided by others). Specify required Faucet punching. Unit includes integral Angle Bracket Supports for lower mounting and S-clip Bracket (shipped loose) for mounting fixture to Wall across the top. All Wall Fasteners and Anchoring Hardware are provided by Installer to suit Wall construction.
