

Recessed Toilet Paper Holder is die formed from type 304 stainless steel with exposed surfaces powder coated white or polished to a satin finish. Paper Holder is arranged to be installed on finished wall from the front. Wide flange is beveled to provide a uniform surface, ensuring a tight fit between the rim and the wall. When Paper Holder is mounted on the finished wall, the recommended installation is approximately 18" above the toilet seat and 12" off of toilet centerline. Paper holder is furnished with 1/4"-20 UNC tamper-resistant screws for use with installer provided wall anchors.

Note: Screws provided have Machine Screw Thread and may not be suitable for all Wall types. When required, Installer shall provide alternate Screw type and Wall Anchors to suit Wall construction.

WH1840FA

MODEL NUMBER AND OPTIONS SELECTION:
