4151-CSG

Fixture May Show Some Available Options

Infection Prevention Sink is intended for general use by medical staff, patients and food handlers. Optional Lead-Free Gooseneck Faucet includes Laminar Flow Spout with an integral 1.5 GPM Flow Restrictor. Sink is designed to include an angled internal slope to defuse outlet water and minimize splash while hand washing and scrubbing up to elbows. Outside Rim is at a minimal width and angled downward to prevent pooling water and discourage placement of objects on Rim. Fixture includes an offset Drain to prevent water from discharging directly into Drain.

Fixture is made of Corterra® non-porous solid surface polymer resin with the feel of commercial-grade designer Basins and includes an additive, SteriTouch®, that provides antimicrobial protection. Antimicrobial additive helps suppress the growth of odor and stain-causing microorganisms. Fixture installs onto a finished wall from the front.

Corterra® material is GreenGuard Gold Certified for low emissions.

Third Party Certification includes compliance with UPC®, National Plumbing Code of Canada, National Standard Plumbing Code, IAPMO IGC 156, CSA B45, ASME A112.18.1 / CSA B125.1. Unit conforms with CSA Z8000-2018.

Optional Trap Cover is made of Corterra® non-porous solid surface polymer resin with SteriTouch® anti-microbial protection. Cover allows easy access to P-Trap and other plumbing components.

Waste Connection is 1-1/4" NPS Dome Strainer with Close Elbow and 1-1/4" O.D. Tailpiece.

GUIDE SPECIFICATION

Provide Whitehall ADA Infection Prevention Sink (specify model number and options). Fixture shall be fabricated of Corterra® non-porous solid surface polymer resin with SteriTouch® antimicrobial protection. Sink shall have a deep internal sloping Basin and a Dome Strainer with a Close Elbow and Tailpiece.

Complies with the following standards:

BASE MODEL NUMBER

- 4151 ADA Compliant Infection Prevention Sink

INFECTION PREVENTION FAUCETS

- 9 Without Faucet (Specify Drilling)
 - H1 Single Hole Centered
 - H34 Three Holes 4" Centerset (1-5/16" diameter holes)
- CSG Centerset with Lead-Free Gooseneck Spout, Wrist Blade Handles and Laminar Flow Spout
- SO Sensor Operated Deck Mounted Spout
- SO-BAT Sensor Operated Deck Mounted Spout - Battery Powered (batteries not included)

Disclaimer: The Faucet option listed is specifically designed to minimize splash. Whitehall Manufacturing will not be liable for any splashing that occurs if Faucet other than Whitehall provided Faucet is used.

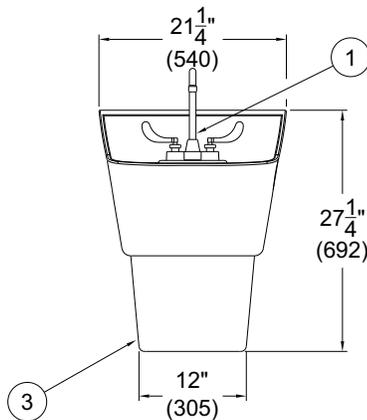

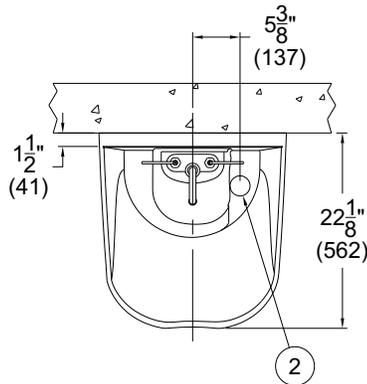

MOUNTING

- MC Mounting Carrier

PRODUCT OPTIONS

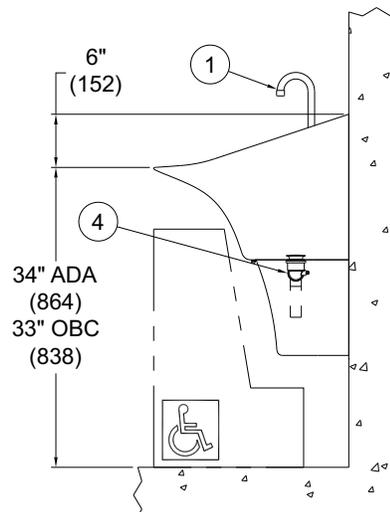

- HTR Chronomite Instantaneous Water Heater (For Remote Location) Refer to Chronomite Labs Website for applications and field installation)
- TE Trap Enclosure
- MXTP ASSE 1070 Compliant Temperature/Pressure Balancing Mixing Valve
- TPT Tubular P-Trap

Please visit www.whitehallmfg.com for most current specifications.

NOTES:

1. Optional -CSG Wrist Blade Gooseneck Faucet
2. Dome Grid Strainer
3. Optional -TE Trap Enclosure
4. 1-1/4" NPSE Grid Strainer w/ Close Elbow and 1-1/4" O.D. Tailpiece Provided
