Integral Frame Mirror

The Acorn Integral Frame Mirror is designed for use in all security areas where Mirrors are subject to breakage. Mirror and integral frame are die formed from a single sheet of type 400 stainless steel polished to a mirror finish.

Frame has countersunk holes and is furnished with 1/4"-20 x 1" long tamper-resistant screws.

Note: Screws provided have Machine Screw Thread and may not be suitable for all Wall types. When required, Installer shall provide alternate Screw type and Wall Anchors to suit Wall construction.
