WEDGE™ BASIN MODEL NO. 9162

## BREAKING NEW GROUND WITH MODERN DESIGN.

The entire basin is cast as one seamless piece out of soy-based solid surface material available in numerous stylish colors.

## IMMACULATE INNOVATION.

While the WEDGE basin is certainly eye-catching, it is also a singular, functional and hygienic system. The WEDGE basin can be paired with any commercial faucet and is ADA-compliant.

## CREATE YOUR DESIGN IN 3D!

The new Neo-Metro® website enables visitors to explore our products in new ways.

- 3D renderings display products from all angles
- Try out each color—no more selecting colors from small swatches
- Swap faucets and other options to select the perfect combination

This new functionality makes it easier than ever to build a coherent, complementary restroom design. Try it today at [neo-metro.com](http://neo-metro.com).
