

murdock[®]
SINCE 1853

THE
Murdock Advantage
STYLE AND DURABILITY

MODEL NO. GYW84
WITH BOTTLE FILLER

Durable, reliable, and efficient. That's what sets Murdock[®] products apart from the competition. Packed with thoughtful features, designed to be easy to repair, and built for the long haul – it's no wonder why Murdock is the brand of choice when it comes to educational facilities.

Extensive customization options (such as the ability to match existing institutional branding or Pantone[®] swatches) and a wide range of product configurations provide builders and building owners with exactly what they need.

**H2O TO GO![®] STAND-ALONE
WALL MOUNTED SENSOR-OPERATED BOTTLE FILLER**

MODEL NO. BF16 SERIES

Ideal for educational facilities and other high-traffic locations, this sensor-operated bottle filler is fully hands-free. It provides water in compliance with lead-free safety regulations. The unit can be customized with Pantone[®] colors or custom graphics, blending style, functionality, and safety.

Water Where it's Needed

RELEVANT SOLUTIONS FOR EVERY LOCATION

FROM THE BATHROOM TO THE SCHOOL POOL, AND EVERYWHERE IN BETWEEN, MURDOCK® DELIVERS WATER WHERE AND WHEN IT'S NEEDED.
