

THE WHITEHALL® MOBILE SHOWCASE

GUIDE

PLUMBING FOR SPECIALIZED HEALTHCARE NEEDS

WHITEHALLMFG.COM

WHAT IS A LIGATURE POINT?

LIGATURE POINTS ARE OBJECTS OR ACCESS POINTS IN AN ENVIRONMENT THAT CAN BE REPURPOSED TO CAUSE SELF-HARM BY TYING OR BINDING A ROPE, CORD, TOWEL, OR OTHER ITEM.

Ligature points in a traditional bathroom

BestCare® Dignity Suite

As shown above, ligature points are all over a traditional bathroom, creating an unsafe environment. BestCare® fixtures and accessories incorporate numerous features designed to resist ligature attachment, promoting a safer environment for healing.

THE DIGNITY SUITE®

Simplify behavioral healthcare planning with the Whitehall Dignity Suite—our flagship collection of ligature-resistant bathroom fixtures and accessories.

- Peaceful and well-balanced aesthetics
- Promotes safety for patients and staff
- ADA compliant, universal design 
- BestCare® Bariatric toilets available 

THE DIGNITY SUITE INCLUDES ALL THE FIXTURES AND ACCESSORIES NEEDED TO OUTFIT A LIGATURE-RESISTANT PATIENT BATHROOM.

THE ACORNVAC MOBILE SHOWCASE

PLUMBING WORK SHOULDN'T DISRUPT
YOUR "OPERATION"

ADAPT • CONVERT • MODIFY • RESPOND

- Makes plumbing renovations easy
- Reduces plumbing repair and maintenance cost
- More sanitary and enhances infection control

VACUUM PLUMBING SYSTEMS OFFER NUMEROUS ADVANTAGES OVER GRAVITY-FLUSH SYSTEMS.

AcornVac® systems are:

- Modular and repeatable, increasing speed to market
- Adjustable and accommodate future renovations/changes
- Less invasive and require no slab work/under-floor plumbing
- More sanitary, eliminating the flush plume that wafts bacteria into the air
- Environmentally friendly and water efficient
- Suitable for permanent or temporary installation

VITREOUS CHINA TOILET

This ADA-compliant toilet features classic styling, a high-efficiency 0.5 GPF and is suitable for retrofit installation. It meets CSA B45.13 and IAPMO Z1700 standards for vacuum flush toilets.

Additional toilet models available in stainless steel or stainless steel with EnviroGlaze® coating.

Model No. 2109

Model 2109-ADA-W-2

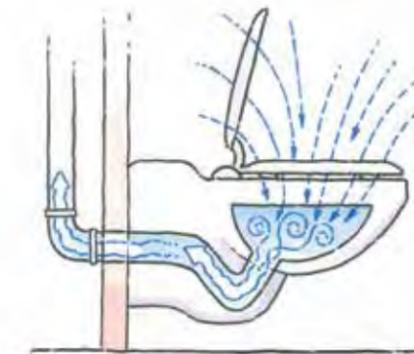

SEE FOR YOURSELF HOW MUCH CLEANER THE VACUUM FLUSH IS!
