

Whitehall Manufacturing®
Manufacturer of Healthcare and Rehabilitation Products since 1946

OPTIONS

Division of
Acorn Engineering Company®

A MEMBER OF

-AMA SteriTouch® Anti-Microbial Additive (For Corterra® Material)

SteriTouch®

Infection Control has become an important focus in the design of Healthcare and Behavioral Health facilities. The -AMA Anti-Microbial Additive option promotes infection prevention for Whitehall® Corterra® Solid Surface material for items such as Countertops and Basins. The Corterra® material is uniquely infused with the SteriTouch® Anti-Microbial Additive to help suppress the growth of odor and stain-causing microorganisms. For additional information, refer to: <https://www.steritouch.com>
