

## Master-Trol PLUS Programmer

Master-Trol PLUS Water Management Systems

### MASTER-TROL PLUS PROGRAMMER - MTP-CPT

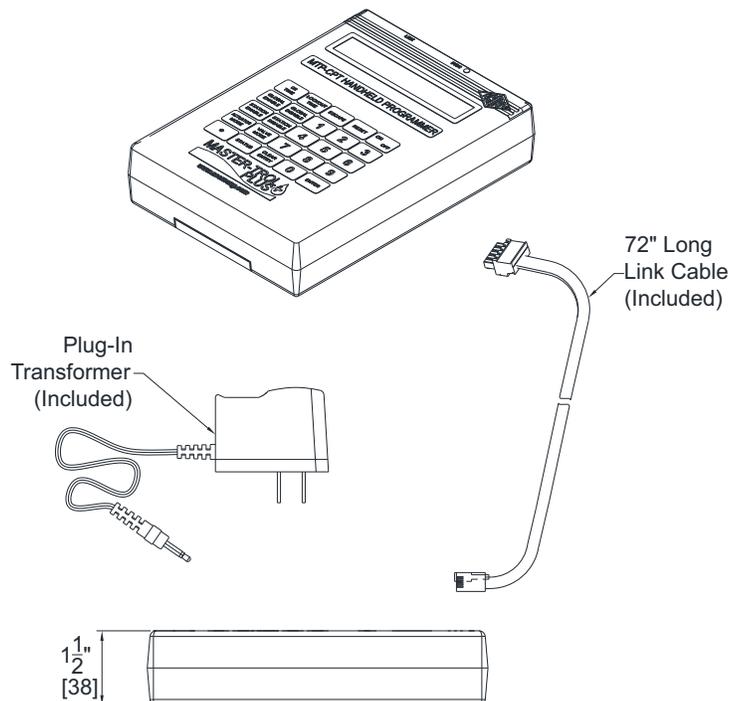

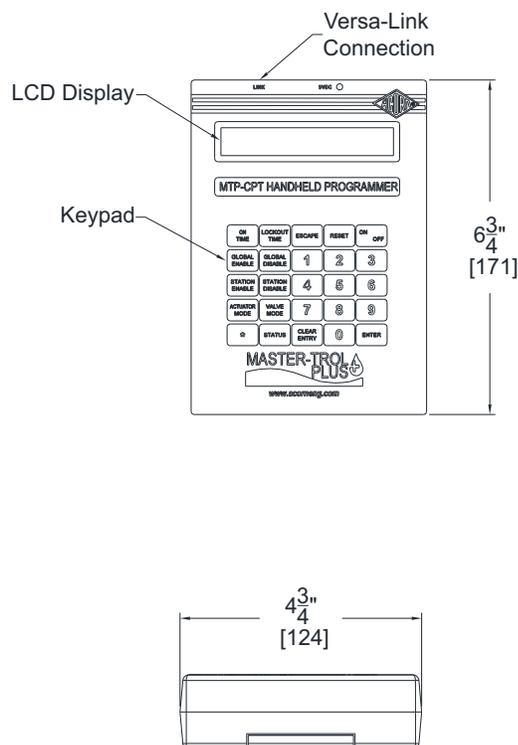

The Master-Trol PLUS MTP-CPT Palmtop Programmer is designed to program a single Master-Trol PLUS Controller or all 32 Controllers connected to a Versa-Link without the need for a desktop or laptop computer. The unit is small enough to fit in the palm of your hand, yet powerful enough to meet most of your Master-Trol PLUS programming needs.

#### FEATURES:

- Powered by a 9V battery or included plug-in transformer
- Automatic 5 minute shutoff to conserve battery life
- Capable of connecting directly to Master-Trol PLUS Controllers for onsite programming
- Function capabilities available directly on the Keypad
- Capable of programming Controllers up to 4000 feet away via a Versa-Link
- 20 character by 2 line LCD Display
- Easy to use. No need for computer familiarity
- Password protection prevents unauthorized users from making changes

**WEIGHT:** 14.4 oz. with 9V Alkaline battery included.
