# ACORN-SINKS®

Acorn-Sinks is a new line of stainless steel drop-in style and undermount sinks brought to you by Acorn Engineering Company. Acorn is well-known for its handwashing products, including stainless steel and solid surface handwashing stations. Now we are expanding the Acorn® product offering with these versatile sinks that are perfect for handwashing and more in a range of applications, such as classrooms, restaurant prep, lobby bars, office building break rooms, healthcare patient rooms, and assisted living units.

Like all Acorn products, our Acorn-Sinks® products are manufactured for durability and a long service life. They offer an appealing aesthetic that can fit with any style or type of countertop. They have been meticulously engineered with appealing features and benefits, including:

- Superior #4 polished satin finish
- ADA compliant option available for most models
- Included sound deadening pads reduce noise
- Vertical side walls feature small internal radius for increased resistance to glass tipping and breakage
- Elevated packaging prevents shipping damage
- UPC, cUPC, and IPC approved
