

Seal Traps, Stop Odors, Save Water

Easy to Install

Insert the device in the drain outlet or top of the outlet piping.

The Quad Close[®] Trap Seal Device creates a watertight seal that minimizes evaporation of water in the trap and prevents sewer gas odors.

Adaptable Uses

Designed to handle a wide range of pipe and internal drain body diameters. Can be retrofitted into existing drains.

Available in 1 1/2", 2", 3", 3 1/2", 4" and 6" sizes.
