

Care-Ware® Model Options

Please visit www.acorneng.com for most current specifications.

-LCTL

Less Countertop and Lavy, Furnish Valve -
This option provides the spout and cabinet only. Countertop and basin to be provided by others.

-LCTL

-LCTLV

Less Countertop, Lavy and Valve -
This options provides the cabinet only. Countertop, basin and spout to be provided by others.

-LCTLV

-LFN

Laminar Flow Nozzle -
This option provides a 1.5 gpm faucet attachment for our Gooseneck spouts. This attachment reduces water flow and provides a smooth, clear solid stream of water that reduces splashes and helps to minimize the spread of airborne bacteria.

-LFN

-LLV

Less Lavy and Valve, Furnish Countertop -
This option provides a solid countertop with no provision for a basin or spout, however can be specified to accommodate customer provided basin and spout requirements, provided by others.

-LLV

-LS

Lavy Hose Spray -
Operates from the same valve as the gooseneck spout and is mounted on the countertop. It is similar to a hand held spray on a kitchen faucet.

-LS

-LV

Less Valve, Furnish Countertop and Lavy-
This option provides a countertop and basin. Spout to be provided by others. Basin is self rimming, 16 gage type 304 stainless steel with 4" centerset punching and includes a chrome plated grid strainer and 1-1/2" p-trap.

-LV
